December 2021

Dear Members

SM&HS Journal

The SM&HS Journal will be included with the June 2022 mailing and our editor, Barry Tolfree, is now planning its content. If you have an idea for an article or a piece of research you would like to share, please contact Barry to discuss. Contributions must be received by **31st March 2022** at the latest.

Mailings to Members 2022

If you have anything that you would like to include in the mailings to members please either email or send to me. Please make sure that you abide by the date in the first column, particularly for the February mailing, as the amount of work entailed leading up to the AGM is considerable. These are the relevant dates for 2022-

Last date to Cath Fox	Mailing delivered during w/c
4 February 2022	14 February 2022
27 May 2022	6 June 2022
26 August 2022	5 September 2022
25 November 2022	5 December 2022

To keep the mailing list up to date may I remind you to let me know of any change of address or email address. This is important to ensure that you continue to receive SM & HS information. Even though you may have had your post redirected this will not cover a hand-delivered envelope.

I will only send you the quarterly mailings and/or emails you if you have given consent for me to do so. At any time you can change the consent you have given by contacting me and giving your new preferences.

Best wishes for Christmas and a Happy New Year
